

Dear Friars,

On this Gaudete Weekend, we rejoice to announce that the new Franciscan Voice website (FranciscanVoice.org) is now LIVE!

Thank you to the friars, from across the CFF and beyond, who have contributed podcasts, videos, and blogs. If you find yourself inspired to add your voice to our project, please send us a message at: ideas@franciscanvoice.org

Take some time to check out the new site, keeping in mind its target demographic: young men, ages 18-35. There's a lot already there for your reading, viewing, and listening enjoyment; numerous pieces are in the editing room, to be posted in the new year.

Earlier today you should have received our *Franciscan Voice Newsletter* in your email. If you have not received it, please check your junk folder or spam box and mark it as "safe."

Beginning in 2021, we will implement our social media strategy; by the end of next year, we hope to have our Spanish version live. For now, enjoy the stories of our voices bringing joy into the world!

Advent Blessings,

Mike Lasky, Nick Romeo, & Tim Blanchard
