PREGNANCY AND INFANT LOSS PRAYER SERVICE

St. Mary's Cathedral
7:00pm - 8:00pm

Whether this happened recently or a number of years ago, there's no blueprint for parents to know how to grieve or commemorate their baby's life after the loss of an infant *in utero* or early in their short life after delivery. It can be confusing and disorienting on top of the sorrow.

The prayer service is a time to honour your baby, a time to reflect and a time to receive comfort from our Lord Jesus Christ.

If this resonates with you or you know of someone who might benefit from this service, then please pass it along and join us.

Women, men, couples, children, grandparents, friends and relatives are all welcome. Light refreshments to follow.

Contact Maria Magee mariap.magee@gmail.com for any questions.
